

WELCOME TO DSCA

STRENGTH THROUGH COOPERATION

DSCA's mission is to lead, direct and manage security cooperation programs and resources to support national security objectives that:

- Build relationships that promote U.S.***
- Build allied and partner capacities for self-defense and coalition operations in the global war on terrorism***
- Promote peacetime and contingency access for U.S. forces***

DSCA fosters Security Cooperation programs vital to U.S. national security to build trust and influence in peacetime, to have access to regions of the world during times of crisis, and to ensure interoperability with coalition partners during times of conflict. Security Cooperation programs provide financial and technical assistance, transfer of defense materiel, training and services to friendly countries and allies, and promote military-to-military contacts.
